Hello Erin,

Absolutely interested. Do you have a few dates that are available? It is budget season for the city so finding a time could be challenging.

Subject: EPA's Air Quality Report

[Warning: External email]

Hi – I hope you're doing well. Last we spoke, I mentioned that EPA was preparing a report to share with CDPH to inform their HIA for the relocated General Iron facility.

I'm reaching out to see if you'd be interested in a briefing on Microsoft Teams where our air experts could walk you through the report and its findings.

Thanks,
